

Aquatic Fun Center Policy

- All guests in the Aquatic Fun Center or outdoor hot tub must wear wristbands.
- All registered guests planning on using any of the pools will be issued wristbands by the front desk at the time of check in. The front desk must be sure and provide the exact number of wristbands for the number of registered guests. This will allow pool monitors to have proper guest counts.
- Individuals coming to the hotel for a pool party arranged through the Sales & Catering department will be issued wristbands so that they may use the pool facilities.
- Registered guests may not invite non-registered guests to join them in the pool – unless specifically approved. If guests would like to bring in outside guests, they will be directed to Sales & Catering so that they can reserve time for a pool party. We can accommodate groups of up to 24 individuals.
